

Organising a childrens party?

Children's parties should be full of fun for all the guests, children and parents alike but there is a lot to consider ensuring your party runs smoothly, first there's the venue, the guest list, sending out invitations, arranging party times and activities to fill those times, birthday cake, balloons and party bags.

'Childs Play' can help by offering a full range of hire items from bouncy castles, ball pools and soft play for the younger ones to assault courses, slides and sumo suits for the older ones, as well as great add-ons such as bubble machines, giant and garden games, popcorn and candy floss machines and much more....

We also offer a great range of party products for sale which can be delivered with your hire items or collected prior to your event, our range includes balloons, banners, party favours and filled party bags, why not make the event extra special by adding a personalised cake or party banner to your order.

We can also provide a great range of children's entertainers, from face painters, mascots and magicians to balloon modellers, clowns and DJ's...

If you're using a venue with an outdoor area or at your home we can also provide child and adult tables and chairs for your guests as well as marquees and gazebos to provide shelter!!!

For more info on our products and services, please browse the site, drop us an email or give us a call and we'll help in any way we can!!!
